

Why You Should Attend the ISITC 32nd Annual Securities Operations Summit

March 29 – 31, 2026 Boston, MA

Theme:

Advancing Today, Transforming Tomorrow: Driving the Next Era of Financial Services

Event Overview:

The 32nd Annual Securities Operations Summit, hosted by ISITC, offers an unparalleled opportunity for professionals in the financial services industry to connect with peers, gain actionable insights from industry leaders, and shape the future of securities operations through collaborative dialogue and innovation. As a recognized leader in financial operations and technology, ISITC is committed to advancing the industry through collaboration, innovation, and education. *This event gathers high-level industry experts, influential speakers, and a diverse array of professionals to drive meaningful progress in securities operations.*

Who Should Attend:

This Summit is essential for professionals involved in securities operations, compliance, technology, digital assets, and strategy within the financial services industry. Whether you are a senior executive, mid-level manager, or early in your career, attending will provide a unique perspective on industry trends and challenges.

Access to High-Profile Speakers

Attendees will gain insights from renowned speakers from top financial institutions who are at the forefront of the industry, discussing emerging trends, regulatory updates, and the latest innovations in securities operations. Learning from these experts will equip you with knowledge that can immediately impact your work and benefit your organization.

Networking Opportunities

This event is an ideal environment for networking with executives, thought leaders, and peers in order to build connections that can lead to valuable partnerships, mentorships, and collaborations. The sessions and social events offer many touchpoints to exchange ideas, share experiences, and expand your professional network.

Collaborative Problem-Solving

ISITC's Summit is more than just a conference; it's a platform to engage in collaborative sessions designed to address critical issues and opportunities within financial services. By attending, you'll have the chance to work with others in the industry to develop solutions and best practices that move the industry forward.

Professional Development & Knowledge Sharing

Investing in this conference is an investment in your own professional development. The knowledge gained will enhance your skills and improve your ability to navigate the complexities of securities operations. Bringing these insights back to your team will strengthen your organization's position in an evolving financial landscape.

Secure Your Spot !

Don't miss out on this opportunity to stay at the cutting edge of the financial services industry. Show your commitment to professional growth and bring valuable insights back to your organization by attending the ISITC 32nd Annual Securities Operations Summit.
